*Neck and Ball*

for two tenor saxophones and two ping pong balls

Get a ping pong ball. Write 0 and 1 on it (opposite sides).

Place the ping pong ball at the end of the saxophone neck.

## Section 1

(for one saxophone player)

Blow into the mouthpiece making the ball move:

- if you see **0** blow softer
- if you see **1** blow harder

React immediately to the instructions on the ball.

In case you cannot blow harder or in case you cannot blow softer, stop.

In case the ball falls, stop.

## Section 2

(for two saxophone players)

Each player reacts to the ping pong ball of the other player.

Blow into the mouthpiece making the ball move:

- if you see **0** blow softer
- if you see **1** blow harder

React immediately to the instructions on the other player's ping pong ball.

In case you cannot blow harder or in case you cannot blow softer, stop.

In case the other player stops playing, stop.

In case one of the balls falls, stop.
